

GUIDELINES FOR ABSTRACT SUBMISSION

Thank you for your interest in submitting an abstract for BSIR 2025. More information about the meeting can be found on <https://www.bsirmeeting.org/>.

Before submitting your abstract, please read the following instructions carefully:

Deadline for Abstract Submission is **May 15, 2025** (23:59 GMT).

General information

- All abstracts have to be submitted online through the **official BSIR 2025 abstract submission system**. Abstracts sent by email will not be considered.
- All abstracts must be submitted in **English**. Abstracts will **not** be **language-edited** or **proof-read**. Submitters, in particular non-native English authors, are therefore strongly recommended to have their abstracts checked by a native speaker or make use of a language editing service.
- The presenting author of an accepted abstract is expected to register for and attend BSIR 2025. Costs associated with the submission and presentation of an abstract are the responsibility of the presenter.
- It is the responsibility of the submitter to make sure that all authors listed in the author block of an abstract agree with the publication of the abstract.
- Submitting multiple copies of the same abstract under different topics and/or types is not allowed.
- If an abstract is on clinical or experimental research in humans or animals or in case this is required by applicable law, the study has to be approved by the competent ethics committee.
- All received abstracts will undergo a double-blind peer reviewing process.
- **Notifications of acceptance or rejection** will be sent by email in June 2025.
- Please make sure that indicated email addresses are correct and that your mailbox allows emails from scientific@bsirmeeting.org

The following 3 abstract types can be submitted:

Scientific Abstract
